## ALUMNI NEWSLETTER

**Attention Alumni!!! Attention Alumni!!! Attention Alumni!!!**

**Keys is proud to announce the commencement of it's weekly Alumni meetings!**

These sessions will be tailored for individuals who have successfully completed the Intensive Outpatient Program and Outpatient Clinical Program.

Since 2007, Keys has helped individuals and families transcend their addictions to unlock their greatest potentials. Keys aims to be part of their long term success in overcoming their addictions.

Our group of caring professionals is dedicated to providing the best in modern, effective and compassionate care for each patient. The Alumni meetings will provide ways to prevent relapse, provide daily coping skills and educational information about addiction.

*"From experience, I've realized that I cannot go back and make a brand-new start. But through recovery, I can start from now and make a brand-new end."*

-Alcoholics Anonymous
